Benefits

McKinnon's Cocktails are handmade DIY cocktail kits. Consumers can easily make up to 16 gourmet cocktails (or mocktails) from each jar! All the ingredients are locally sourced in Georgia, hand crafted, dehydrated and sold in a shelf stable mason jar. Each jar is vacuum sealed and shelf life is minimum of one year before the jar is opened. After the infusion is complete with fruit strained out, the infused liquor can be stored for up to a year as well. If you want to make a mocktail, fill the jar with hot water instead of the spirit. If you want a sugar free option, we recommend removing the sugar cube from the jar prior to the infusion. Each batch makes up to 8 drinks. Jars can be infused twice to make up to 16 drinks per jar. The 12 ct. Vodka assortment includes: Strawberry Lemonade (3 jars), Blueberry Mojito (3 jars), Pineapple jalapeno (3 jars), Sangria (3 jars).
