Benefits

Mild Gouda
National Award winning! Classic Dutch Gouda. Creamy & buttery!
We opened the doors of our first cheese plant in California in 1983. Walter and Lenneke, our founders, bought their first cheese vat, remodeled a small milk barn nestled in an almond orchard in Escalon, and began handcrafting Dutch Gouda, Quark and yogurt. Our store started as a self-serve operation in the barn, based on trust and a reputation for excellent cheese. Customers picked out their favorite cheeses from the refrigerator and left cash on the counter.
