* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Benefits

Our USDA Grade A White Pekin duck is guaranteed fresh! One of the great benefits of our whole duck is that you can use everything! Breasts make great entrees; legs make great appetizers. The fat is great for poaching fish, sauteing or for vinaigrettes. And, the bones make great sauces.
