* Benefits

In Seattle's Pike Place Market and New York City's Flatiron district, visitors to Beecher's glass-walled cheesemaking kitchens witness first hand the crafting of our signature favorite, Flagship cheese, as well as many of the other award-winning cheeses we offer. By starting with fresh, pure milk from local farms and applying the traditional methods used by cheesemakers for thousands of years, our cheeses are free of artificial ingredients - making them just as delicious as the milk they are made from. In 2003, Kurt Beecher Dammeier opened his first Beecher's Handmade Cheese in Seattle's historic Pike Place Market. For Kurt, Beecher's fulfilled an ambition beyond just making great cheese. He has long felt passionately about eating food free of harmful additives and preservatives. That's why everything we produce, from the handcrafted cheeses to the delicious side dishes and crackers, is authentic, original, full-flavored food made with ingredients we trust and are proud of.
