More than a Cheese Plate. It's a virtual tasting at your fingertips, ready to take friends on a taste adventure through the world of cheese. From wines and beers that pair best with the cheeses to the magic behind how cheese is made, Beecher's Cheese Train is a funway to take your cheese plate to the next level.

In Seattles Pike Place Market and New York Citys Flatiron district, visitors to Beechers glass-walled cheesemaking kitchens witness first hand the crafting of our signature favorite, Flagship cheese, as well as many of the other award-winning cheeses we offer. By starting with fresh, pure milk from local farms and applying the traditional methods used by cheesemakers for thousands of years, our cheeses are free of artificial ingredients - making them just as delicious as the milk they are made from.
