* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Kerrygold Reserve Cheddar with the gold label has sharp, strong flavor that comes from an extra year of aging. So while the flavors are concentrated, the finish is still rich and smooth. And of course, like every cheese we make, it comes only from the finest milk of Irelands grass-fed cows. Kerrygold Reserve Cheddar is ideal for both snacking and cooking. It melts down smoothly enhancing any meal with its rich flavor profile.

Ingredients

Pasteurized Milk, Salt, Cheese Cultures, Enzymes
