* Benefits

Superior Farms Lamb was founded in 1964. We now provide one third of all the domestic lamb supply in the United States. Our ranchers, over 2000+ of them, are our partners. Like us they are committed to high standards of quality, sustainability and environmental responsibility. This allows us to offer fresh year-round deliveries of USDA choice lamb to restaurants and retailers across the US and abroad. Additionally, we're BRC certified which is a must for large institutions and retail. We're also 100% Halal certified. We are best in class sustainability and animal welfare practices in the lamb industry.
