

Hello! I'm Ugly 102631 - Dried & Sliced Mangos

* Benefits

As I always tell people, The Ugly Co. was born on the seat of a tractor in Central California. Every summer, my Dad and I would haul and dump millions of pounds of perfectly edible fruit that came from our neighbors farms. They couldnt sell their full crop because it was Ugly. After experiencing this ugly truth first-hand, I was determined to find a better way. I started the company in California, but have always believed wherever food is grown, food is wasted. Its this belief that led me to Mexico to work alongside Mango farmers in Nayarit. As a farmer myself, Id like to thank you for joining our vision to end food waste at farms globally. - Ben Moore, 4th Generation Farmer & The Ugly Co. Founder.
