* Benefits

As I always tell people, The Ugly Co. was born on the seat of a tractor in Central California. Every summer, my Dad and I would haul and dump millions of pounds of perfectly edible fruit that came from our neighbors farms. They couldnt sell their full crop because it had cosmetic imperfections. After experiencing this first-hand, I was determined to find a better way. My Swedish grandma raised me to waste not, want not, so I used her roof-dried natural fruit as inspiration for our healthy snacks. As a farmer myself, Id like to thank you for joining our vision to end food waste at farms globally. - Ben Moore, 4th Generation Farmer & The Ugly Co. Founder.
