* Benefits

Parenthood turned our once multi-course, leisurely dinners into snacking on the go while we chased our kids around. When cooking, entertaining, and hosting, were no longer an option, we looked for quick, easy recipes to serve our friends and family. Our "crazy pickle dip" was the signature snack that everyone always requested. We launched Plucky Pickle Dip at 3 farmers markets in 2017. Plucky Pickle Dip is a tangy, creamy, crunchy dip made from real kosher dill pickles, savory herbs and spices, blended cream cheese and white beans. Aside from offering a new way to get your pickle fix, Plucky can be used as a dip for salty snacks and veggies, a bold spread on sandwiches and burgers and as a recipe booster or mayo replacement.
