We love summertime here at RedCamper. So much so we do everything we can to bottle up every ray of sunshine for year round consumption. We celebrate road trips, picnics, place, people and storytelling through a specialty food line called Deliciousness, premier cheeseboard and picnic basket ready handcrafted, small batch preserves and mustards that are a result of over two decades of home preserving, a county fair blue ribbon and a lifetime of love for small farms, roadside stands and back seat sandwiches.

OUR FIRST RECIPES WERE PICNIC SUPPLY PRODUCTS. OUR FLAGSHIP NO PICNIC BASKET OR GLOVE COMPARTMENTER SPECIALTY IS WITHOUT DOUBT Colorado Whiskey Peach Deliciousness is the flavor that got this whole crazyroad trip rolling. This is our signature and original flavor from a 15 year process of recipe perfection, the flavor that won the Blue Ribbon at the Denver County Fair and to this date our most popular flavor. Maybe its the sweet, sweet, peaches we get from Colorado's hidden valley of Poudre, maybe its the perfected four-horsewhiskey from Colorado's own Lone Whiskey House, maybe its the fresh vanilla from Madagascar, or maybe its just the perfect combination of these things that makes you feel like its a perfect sunny, breezy summertime afternoon that stretches to forever.

The story is all started with a weekend road trip to Poudre, Colorado, a secret valley of orchards, vineyards and grazing horses. We accidentally found Colorado's best secret, the source of the best peaches in the state. One year later we came back with a truck, a dog, and a day to ripen as many peaches as we could. And we did, we filled the borrowed truck bed with hundreds of pounds of Colorado's finest peaches, ripe for the picking. Armed with a 2 year in development recipe we got busy in a commercial kitchen and cooked up a very limited run of Deliciousness for you.
