Benefits

We love summertime here at RedCamper. So much so we do everything we can to bottle up every ray of sunshine for year round consumption. We celebrate road trips, picnics, place, people and storytelling through a specialty food line called Deliciousness, premier cheeseboard and picnic basket ready handcrafted, small batch preserves and mostardas that are a result of over two decades of home preserving, a county fair blue ribbon and a lifetime of love for small farms, roadside stands and back seat sandwiches.

OUR AWARD WINNING CHERRY FIG MOSTARDA IS A SPECIAL TREAT FOR ANY CHARCUTERIE BOARD. This Cherry Fig Mostarda is the perfect sidecar driver to cured meats and aged cheeses and our first breakaway from our saucy preserves. This is your go to for charcuterie board pairing. This beautiful, savory, chunky mix is made from organic California sun dried figs and Michigan grown organic cherries that are slow cooked for hours in Denver's own Stem Ciders Real Dry Cider, a cider dry fermented from fresh Pacific Northwest apples that is crisp and light. Organic mustard powder and two kinds of organic mustard seeds are added with fresh cracked black pepper and organic red pepper flakes. Finishing out the spice additions we add a generous serving of the Ritual Chocolates cacao nibs for an unexpected chocolatey bite. We proudly collaborated with St. Killians Cheese Market on this special treat. Good Food Awardwinner in the Pantry division- 2017 Specialty Foods - Buyers Picks: Cocktail Party Foods - 10/17
