104295 - Gruyere Cheese Shredded

As Le Gruyre AOP slowly matures in the cave-like atmosphere of our cellars, it brings out the inimitable flavor featuring notes of candied walnuts, dried fruit and spice. Our shredded Le Gruyere is a great addition to French Onion soup, in a Croque Monsieur sandwich, or in an upscale omelet.

Benefits

Le Gruyre has been crafted since the 12th century using the same recipe. Today more than 160 creameries in small villages throughout a designated area in Switzerland carry on this same tradition. Not only do farmers feed their cows a naturally sustainable diet of pasture grass in the summer and hay in the winter. Our cheesemakers also incorporate only the freshest milk supplied twice a day from nearby farms. We then craft exclusively in copper vats to impart a unique, complex character that connoisseurs crave. As Le Gruyre AOP slowly matures in the cave-like atmosphere of our cellars, each wheel is delicately turned, lightly brined and brushed.
