* Benefits

Rose Sisters Chips are a one-of-a-kind, healthier snack alternative. They're baked, never fried. No cholesterol. No trans fats. Their unique shape gives them a universal appeal: they're a chip, a flatbread, and a cracker all in one product (and can be crushed and used as breadcrumbs too). And with a recipe handed down lovingly over four generations, it goes without saying that the taste is robust and memorable the opposite of mindless snacking.
