\* Benefits

A nod to our heritage and named for our co-founder, Allison Hooper, this soft-ripened, mixed milk cheese is a well-rounded addition to our legacy lineup of award-winning aged cheeses. Our signature wrinkled Geotrichum rind is washed with a French gray sea salt. Hooper delivers a unique flavor experience and a truly differentiated appearance that stands out in the cheese case, available year-round. Inspired by the traditional donut shape native to the Loire Valley, we've jumped through Hoops to create the donut of Allison's dreams.
