

Amalattea 105654 - Caprino Sardo Fior Di Capra Wheel

The aroma of Fior di Capra is one of milk and cream, with hints of hay and cellar; the taste is full of sensations that confirm the olfactory analysis, with a spicy and acidulous finish that is well balanced. The 90-day maturing period gives the product a spicy flavour.

Handling Suggestions

Refrigerate after opening at 4 *C (39 *F)

Serving Suggestions

The sour cheese, although not well evident, goes well with a rye bread. For the accompaniment with sweet sauce suggested orange mustard. This cheese is characterized by very perceptible taste-olfactory sensations of succulence, aroma and fat, as well as less intense sensations of sweet tendency and sapidity. The wine in combination must be red, ripe and with a bouquet of evolved aromas of ripe fruit and spices, savory, soft, tannic and full-bodied (Barolo DOCG, Carmignano DOCG, Carignano del Sulcis DOC).

Prep & Cooking Suggestions

Ready to eat, snacking or grating.
