* Benefits

At Barilla, we're passionate about pasta. After all, we have been pasta makers since 1877. As an Italian family-owned food company, Barilla pasta is synonymous with high quality and "al dente" perfection every time. Our Farfalle is made from the finest durum wheat and is non-GMO verified, peanut-free and suitable for a vegan or vegetarian diet. Farfalle in Italian means butterflies which is the perfect name to describe this elegant shape. In the U.S. it is commonly referred to as "bow-tie" pasta. Farfalle's fanciful shape allows it to star in a variety of recipes including light tomato-based sauces and pasta salads with vegetables.
