* Benefits

New Creation Soda is a family owned and operated craft beverage company based in Watkinsville, Georgia. We've been making hand crafted sodas, margarita mixes, and sparkling hop waters since 2015. Light-bodied and crisp. Fresh, ripe strawberry blast in the beginning, with a tart brightness in the middle and a warm finish. After countless taste tests at our local Farmers Market, this crazy good combination of strawberry and habanero became our first production. We crafted Jack'd with local Georgia strawberries handpicked by our family, and habaneros from our garden. The sweetness and tartness of real strawberries blend perfectly with a lingering subtle heat from the habaneros. You'll crave the flavors once you've had one!
