* Benefits

Our small batch, gourmet toffee begins with a layer of traditional English toffee spread thin and cut by hand into bite-sized squares. Our toffee is coated with a precise blend of dark chocolates originally formulated in our home kitchen. Our unique blend perfectly highlights the buttery sweeting of the toffee center and balances the nutry flavor of the pecan finish. We incorporate pecans throughout our toffee to give it a crispy texture and memorable nutry flavor. Our Griffs Coffee Toffee builds on our original recipe by adding espresso into the mix for a unique, one-of-a-kind twist! The espresso provides an excellent counter point to the sweet toffee to create a perfectly balanced flavor combination.
