* Benefits

Long Clawson have been making cheese in the UK since 1912. Huntsman is a registered trademark and has been made by us for over 50 years. We take our own finest Blue Stilton, cut it in to rings and the hand layer between rings of Double Gloucester. This gives the product a striking visual effect, an eye catching product for any deli counter. The creaminess of the Gloucester and the Blue Stilton combined gives a wonderful taste sensation. Try melting a thin slice on to a steak or burger.
