* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.	

* Benefits

In Seattles Pike Place Market and New York Citys Flatiron district, visitors to Beechers glass-walled cheesemaking kitchens witness first hand the crafting of our signature favorite, Flagship cheese, as well as many of the other award-winning cheeses we offer. By starting with fresh, pure milk from local farms and applying the traditional methods used by cheesemakers for thousands of years, our cheeses are free of artificial ingredients - making them just as delicious as the milk they are made from.

Ingredients

Chicken stock (water, chicken, yellow onion, salt, black pepper), yellow onion, white wine (contains sulfites), butter (cream [milk], salt), red wine vinegar (red wine vinegar [diluted with water to 5% acidity], potassium metabisulfate [as a preservative]), unbleached all-purpose flour (enriched wheat flour, niacin, reduced iron, thiamine mononitrate, riboflavin, folic acid, malted barley flour), salt, black pepper, thyme.
