# 1100261 - Buffalo Chicken Hot Dogs

Think Buffalo wing in hot dog form. We wanted to draw the tasty characteristics of a buffalo wing and reimagine them into hot dog form. A little spice, a little tang and the savoriness of the chicken with some added pork to round out the flavors.

### \* Benefits

For this recipe we turned to blending minimally processed chicken with our pastureraised pork. For its flavor we included the essential distinctive taste of the Buffalo chicken wing by incorporating black pepper and a wing sauce made up of vinegar, cayenne, salt, water, oil, paprika, and garlic. Its subtle heat, mingled with the attributes of a classic hot dog, result in a unique yet familiar flavor.

### Ingredients

Chicken, pork, water, hot sauce (aged cayenne red peppers, distilled vinegar, water, salt, garlic powder), sea salt, citrus extract, yeast extract, black pepper, cayenne pepper, celery powder, cherry powder, in sheep casing.

We like to top these dogs with the accoutrements of Buffalo wings. Some blue cheese or ranch dressing. Some drizzled hot sauce and don't forget the diced celery or carrots. Delicious combo of flavors for this hot

# Prep & Cooking Suggestions

The hot dogs can be heated in a number of ways including grilled, boiled, pan seared and even microwaved. Our favorite way is a technique we coined "hydrotoasting" where the hot dogs starts off in a hot pan with a few teaspoons of water in it. Get the dogs simmering in that water until they're heated through. Once the water has evaporated, give them a little color and they're ready to go.
