* Benefits

Savory tomato and aromatic basil come together in these crisp, flavor-packed crackers. We love em by the handful, with cheese (especially mozzarella) or with tinned fish. Better yet, they're made with organic and regeneratively grown wheat from Washington State. The wheat is milled in Washington, too, creating a short supply chain that supports local farmers and reduces our carbon footprint. If youre hungry for a delicious, responsibly produced cracker, give these a try.
