Handling Suggestions

Keep Frozen

Serving Suggestions

When it comes to bacon, the Duffys know best. They recommend cooking Tender Belly bacon in a cold cast iron skillet, over a medium heat. Brown until slighly crispy , flipping the bacon once, about 4-5 minutes per side. It's how you get that delicious, caramelized flavor that makes bacon the best meat ever invented.

Prep & Cooking Suggestions

350 degree oven on cookie sheet and parchment paper. Approximately 15-17 minutes.
