* Benefits

Fifteen months of aging nurtures the flavor and texture of Flagship to perfection. With hints of browned butter and caramel, Flagship is a versatile cheese that is balanced, dense and creamy.

The first wheel of Flagship, Beechers signature cheese, was handcrafted just as Beechers Handmade Cheese opened its doors in Seattles historic Pike Place Market in November of 2003. Flagship is a semi-hard cows milk cheese with a uniquely robust, nutly flavor. It is carefully aged for 15 months to fully develop its complex flavor and ever-so-slight crumble. Outstanding on a Beechers cracker!
