Benefits

As adventurous as its namesake, Marco Polo blends creamy cheese with lightly milled green and black peppercorns, resulting in a cheese rich in savory umami and butter notes. Semi-hard, pasteurized cows milk cheese. In Seattles Pike Place Market and New York Citys Flatiron district, visitors to Beechers glass-walled cheesemaking kitchens witness first hand the crafting of our signature favorite, Flagship cheese, as well as many of the other award-winning cheeses we offer. By starting with fresh, pure milk from local farms and applying the traditional methods used by cheesemakers for thousands of years, our cheeses are free of artificial ingredients - making them just as delicious as the milk they are made from.
