## \* Benefits

Just Jack is anything but "just" Jack. We make this cheese with whole cow's milk, giving it a buttery texture and the especially rich flavor or pure cream. Semi-hard, pasteurized cow's milk cheese. In Seattle's Pike Place Market and New York City's Flatiron district, visitors to Beecher's glass-walled cheesemaking kitchens witness first hand the crafting of our signature favorite, Flagship cheese, as well as many of the other award-winning cheeses we offer. By starting with fresh, pure milk from local farms and applying the traditional methods used by cheesemakers for thousands of years, our cheeses are free of artificial ingredients - making them just as delicious as the milk they are made from.
