* Benefits

Blarney Castle is a mild and creamy cows milk cheese with rich and velvety undertones. It both feels and tastes similar to a young Dutch Gouda cheese. To protect one of the richest herds and most prosperous pastures of Ireland back in the day, Blarney Castle was built. Now almost 600 years later, our Blarney Castle Cheese is produced using the same verdant green rolling hills and sparkling pure streams that meander through these once fiercely protected lands. And of course, its made from the milk of grass-fed cows who graze there.
