

Carr Valley

11613 - Glacier Wildfire Blue Wheel

A celebrated blue cheese produced in our Glacier Point facility, it is a delectable symphony of mild blue notes and Peperoncino peppers that bodes a smoothness that can only be described after trying it for yourself.

* Benefits

A delectable symphony of mild blue notes and Peperoncino peppers that bodes a smoothness that can only be described after trying it for yourself. As featured on many local menus, it adds a silky fire atop burgers, pizza and steaks. Award-winner made in Linden, WI with fresh Wisconsin milk.

Certified Master Cheesemaker Sid Cook has won more top national and international awards than any other cheesemaker in North America. As a fourth-generation cheesemaker, he received his cheesemaking license when he was 16, and now owns and operates four cheese plants and eight retail cheese stores in Wisconsin. As a company, Carr Valley Cheese began in 1902, and today is best known for producing high-quality, artisanal aged Cheddars. Using cow, goat, and sheep milks, Sid enjoys creating new cheeses, and Carr Valley now produces more than 50 original varieties. He crafts cheese the old-fashioned way, by hand, with a goal of producing high-quality cheese with outstanding flavor.
