* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Mikes Hot Honey combines two of nature's most unique and wonderful flavors: honey and chili peppers. The balance of sweetness and heat adds a perfect kick to just about any food, without overwhelming it. Its not too mild or too wild, so you can taste the flavor, not just the fire. Mikes Hot Honey makes all your favorite food and drinks shine. Add it to fried chicken and wings, drizzle it on pizza, and use it instead of regular honey in cocktails and tea!

Ingredients

Wildflower Honey, Chilies, Vinegar

⚠ Allergens
