* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Naturally aged cheddar (15 months) with a bold and tangy flavor. Experience the bolder side of cheddar. Its very hard to make cheese this simple taste this good. It takes perfect conditions, a century-old recipe and a willingness to wait 15 months. The result: a full cheddar experience with a tangy bite that keeps you coming back again and again. Just like it has for us. With notes of lemon pith, custard, and salted hazelnuts, this naturally aged cheddar has a clean finish with plenty of bold cheddar punch. Creamy texture with a satisfying shatter, and nutty, buttery, umami aromas with strong cheddar notes. Winner of two International Cheese Award gold medals and two American Cheese Society awards. (Yes, its that good.)

Ingredients

Cultured Milk, Salt, Enzymes, Annatto (Color). CONTAINS: Milk
