### \* Benefits

Daniele Foods has been making premium charcuterie meat for over 75 years. Our portfolio of artisan salami out performs the category and is built around the idea that food is best made using time-honored traditions and is best served with great company. Daniele's humble origins can be traced to 1946, when Francesco Vlado & Carolina purchased a small farm in the coastal town of Trices, Italy. Having left displaced the Banatic Group of post-WWI Croatia, the husband-wife team found opportunity in food as they forged a new life on the Italian Coast. Carolina, working from her home kitchen, prepared the pork sausages that Vlado would then sell on his bicycle to local restaurants and markets.

A lot has changed in the decades since their production expanded beyond Carolina's kitchen, trucks replaced Vlado's bicycle, and the company has relocated to the United States. Yet the more things changed, the more they stayed the same. Today, Daniele boasts the largest charcuterie production facility in the U.S. one which marries state-of-the-art technology with the brands Old-World heritage. The dry-aging tradition which defines charcuterie can be tasted in every prosciutto & salami that bears the Daniele monogram.

Throughout Daniele's storied history, the brand has focused on perfecting one thing: Togetherness Food. Our products are for those who want to elevate time spent with loved ones. We believe there's no reason too small to celebrate, so our portfolio is designed to bring people together, no matter the occasion.
