* Benefits

'Nduja is a traditional Calabrian staple. It is a spreadable salami comprised of a bunch of fresh Calabrian Chili peppers and pork. What sets ours apart is that we also incorporate hand toasted dried Calabrian Chili Peppers, wine and hand toasted telicherry black pepper. We utilize our salumi making techniques from Emilia Romagna, to produce the traditional 'Nduja of the south. 'Nduja is fermented and aged in our drying chambers, so it does not require refrigeration. It can be enjoyed in many ways. The most common way of enjoying 'Nduja is to rip off a chunk of fresh bread and use it to scoop up some 'Nduja. A more civil manner would be to spread it on crackers and toast. You can get creative by adding it to an omelette, pasta, sandwiches, piadinas, pizza, mussels, soups, condiments and much more.
