### \* Benefits

The journey for Antoninas Gluten-Free Bakery began two decades ago with a simple goal to spread joy one gluten-free delight at a time. We believe everyone should have the opportunity to enjoy exceptional baked goods without compromise. Located in the beautiful Pacific Northwest, just a stones throw from Seattle with majestic views of Mt. Rainier, is our dedicated gluten-free, all-natural, non-GMO, peanut and tree nut-free bakery where products are produced under the watchful eyes of our SQF and BRC certified quality trained staff.
Our treats offer a celebration of taste, texture, and inclusivity with every bite. Once you try one of our items, we are confident you will think, it is impossible this is gluten-free!
Our gluten-free double chocolate cupcakes are made with a proprietary blend of gluten-free flours to create a moist and rich texture. We then top it with real chocolate buttercream frosting and an elegant European chocolate decoration, for a decadent treat that even those who can eat gluten will love and enjoy.
