* Benefits

A classic combination of Greek olives and Feta is the foundation for this tantalizing antipasti salad. A perfect on-the-go snack (packed without brine or oil), we also adore mixing it with salami, cucumber and roasted peppers for a twist on the classic Greek salad. Hitting on many key consumer trends (plant-based, protein-forward, easily snackable), we think one of the best attributes of this product is that it was made using modified atmosphere packaging (MAP). This allows us to create a protective barrier in the package that keeps the product fresh without needing brine or oil.
