15458 - Cabra La Mancha Wheel

A Spanish-style, semi-soft washed rind cheese with an earthy, vegetal, orange-colored rind develops on the pudgy wheels as they age for approximately 90 days. Smooth in texture with an aroma redolent of freshly hayed barn.

* Benefits

In the course of their travels, FireFly founders Mike and Pablo were inspired by the cheeses of the Basque region of northern Spain to create Cabra la Mancha: small batch handcrafted wheels that represent the best the land had to offer. Our cheesemakers have since perfected our version of a Spanish-style, semi-soft washed rind cheese: Cabra la Mancha. An earthy, vegetal, orange-colored rind develops on the pudgy wheels as they age for approximately 90 days. Smooth in texture with an aroma redolent of freshly hayed barn, its easy to see why Cabra la Mancha brought home a Good Food Award in 2016.
