

* Benefits

Corned beef from the Big Apple. Each piece of New York City Corned Beef is chosen so when its finished, its nothing short of the best corned beef in the city. While other producers are making a top round, in true New York fashion we use a well-marbled brisket because it just tastes better. This gives Schaller & Weber New York City Corned Beef a juicier texture and a more flavorful profile. Its not just a classic New York City cut, its the best in the city. The Schaller & Weber Corned Beef can be sliced as thin or as thick as you want it, and can be served hot or cold.
