16282 - Basil Pesto With Pine Nuts

* Benefits

Made only with fresh, never frozen herbs, whole pine nuts, and imported Pecorino Romano cheese (no lactose issues)) it is no wonder why this pesto was awarded the American Culinary Federation Gold Seal of Approval. Highly concentrated so you will want to cut it with something; water, wine, oil, cream, etc. This pest oil gluten free, trans fat free, and contains low sodium. Pesto comes delivered frozen and can be frozen for up to two years, simply use an ice cream scoop and scoop out the desired amount and put the container back in the freezer- this means there is zero food waste and zero labor waste. Can be refrigerated for 14 days after slacked out.

Great with pasta, fish, steak and chicken. Some other applications to think about: mix it with mayonnaise and spread on a sandwich, put a scoop on top of hummus to add flavor, mix with cream cheese for a special bagel spread or to stuff in a chicken breast, the applications are endless.
