* Benefits

Dried Dark Sweet Cherries are made from dark sweet cherries. They are dried to specified moisture and packaged. Sunflower oil is used as a processing aid.

Our dried Dark Sweet Cherries are the fire engine red cherries everyone knows and loves! Unlike many dried Montmorency cherries on the market, our dried dark sweet cherries are unsweetened- meaning NO added sugar of any kind! Our Dried Dark Sweet Cherries are a household favorite- great as a snack, the perfect addition to morning breakfasts in oatmeal or yogurt, a great ingredient for baking or salad toppings, and are a perfect stand-alone snack- even for your child's lunch box! Cherries also have anti-inflammatory properties which may help control arthritis and gout; contain anthocyanins which may help reduce the risk of Alzheimers Disease, and are a good source of potassium which may help control blood pressure!
