* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Honey with Comb combines two of Georgias finest productsstrained honey and honeycomb. Both are pure, raw, unfiltered and unadulterated in any way. Our honeycomb is produced in and around the Okefenokee Swamp where the pollen and nectar flow is so strong it allows bees to create an abundance of honey, which is stored as Comb. This is combined with a rich Georgia Wildflower Honey made from the plethora of spring flora. The combination is simply amazing and a must try.

Ingredients

100% US Grade A Honey

Allergens

Free From:

- crustaceans
- eggs
- fish
- milk
- peanuts
- sesame
- soy
- tree nuts
- wheat

Handling Suggestions

Honey with comb is shelf stable and should be stored at room temperature. At extreme heat, the wax comb may melt. Cold temperatures encourage crystallization of the honey. ---
UNIT UPC: 034307141180

Serving Suggestions

Honey used in the kitchen will enhance browning--great for glazing roasted and baked foods to promote surface browning. It is a flavor enhancer. Honey may add color and sweetness to sauces, dressings, jellies, and frozen desserts.

Prep & Cooking Suggestions

This Wildflower Honey with comb is ready straight from the bottle. The strained honey and honeycomb can be paired with cheese, salty nuts, or breads.
