* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

This 60-day aged Toma is produced with raw milk from Bruno Alpino cows and thistle-flower, a rare combination in the world of cheeses. The name literally "small mountain shepherd" in the local Occitan dialect pays tribute to Nonno Magno, the cheesemaker's grandfather. This creamy cheese has a delicate mushroomy aroma with flavors of fresh cut grass and milk. An excellent value, particularly considering the style and the quality.

Ingredients

Raw cow's milk, sea salt, thistle flower
