

Excalibur
19380 - English Oak Smoked Cheddar Cuts

Excalibur first started making cheese on the grassy slopes of rural northern England in 1745. We naturally smoke our finest Cheddar using a mixture of oak and applewood chips.

* Benefits

Excalibur aged English cheese is a collection of delicious farm fresh cheeses made in the traditional English style. Excalibur Cheddars are made using only milk from grass-fed cows, free from any growth hormones, rBST, or rBGH. The bold flavors of the Double Gloucester, Red Leicester, and Cheshire varieties reflect the time honored customs of handcrafted English cheese.

We naturally smoke our finest Cheddar using a mixture of oak and applewood chips. This produces a flavoursome cheese with an attractive golden hue.

Ingredients

Pasteurized cow's milk, Salt, Microbial rennet, Starter culture
