### \* Benefits

PTS, MOUSSES & FOIE GRAS

We <3 liver. Whether coarsely chopped or emulsified into a spreadable paste, pts are the real soul of French charcuterie and what won us acclaim back in 1975. To make our pt, a mixture of liver and meat is mixed with a glug of fine French spirits or wine, aromatic spices, and cooked in a mold on low heat before being sealed up in convenient 8oz or 5oz packages.

The next time youre looking for a rich and flavorful protein thats nutrient-dense and high in iron and minerals, why not make it a little luxe?
