### \* Benefits

Visca was founded with the intention of bringing old world European farmstead charcuterie to America. We achieved this in 2019 and we continue to pursue our goals of re-creating the classic flavor profiles we were taught when living and working on the farms in France and Spain. All Visca products are slow cured to bring out the traditional European style flavor profile we seek to provide.

Our Tuscan Inspired Salami is a classic Italian style hard salami. Seasoned with Fennel seeds from Calabria and plenty of red wine and garlic, this is one of our most popular products. Our Tuscan salami plays well with Chianti, Ales and Goat cheeses.
