* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Benefits

Manchego is a DOP cheese that can be made only from the milk of the Manchega breed of sheep. These sheep must graze in the provinces of Albacete, Ciudad Real, Cuenca and Toledo, all of which form the region of La Mancha. This classic Spanish cheese has a rich, nutty, buttery flavor. The best cheese is produced when the milk is richest, between August and December. The pattern on the rind honors a time when the cheese was wrapped in sheets of woven esparto grass. There are a lot of Manchego producers, but Manchego Aurora is an award-winning pasteurized Manchego from Cuenca that is particularly nutty and full flavored.

Ingredients

Pasteurized Manchega Sheeps Milk, Salt, Calcium Chloride, Rennet, Cheese Cultures, Lysozyme (from egg white), Lamb Rennet.

Allergens

Contains:

eggs milk

Free From:

crustaceans fish peanuts soy
tree nuts wheat

Handling Suggestions

When serving, please make sure product is at room temperature. After cheese has been cut for a while, rubbing olive oil on the open face will bring the flavor back into the cheese. Uncut wheels may be stored in refrigeration for several months. Once cut, wrap unused cheese tightly in plastic. If mold grows on the cheese, it may be scraped off or dabbed with a vinegar solution.

Serving Suggestions

We recommend shaving it over arugula, on bread rubbed with tomato and olive oil, or serving it with fruit, wine, and nuts.
