#### Benefits

At Hollands Family Cheese we take pride in modern family farming and handcrafting our farmstead, raw milk, award winning, Dutch-style Gouda cheese. Marieke Gouda our signature cheese made in Thorp, Wisconsin. Cheesemaker Marieke Penterman and her team put their passion for making artisan cheese into every wheel they make - and you can taste it! Each wheel of Gouda is made with fresh milk combined with cultures, traditional herbs, spices, and seeds from the Netherlands. The Gouda cheese is carefully cured on Dutch pine planks in a temperature and humidity-controlled aging room, honoring the Old-World cheese making methods from the Netherlands. At our farmstead creamery, we control the quality of the Gouda from start to finish. Mature Gouda is aged for 6-9 months. This Gouda is rich and full-flavored with a subtle bite and caramel notes. Mature Gouda has 14 awards both National and International. The most notable award to date for Marieke Gouda Mature is Grand Champion of the US Cheese Championship.
