\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

### \* Benefits

Barbers 1833 is made using traditional starter cultures and the finest West Country milk. Aged for at least 24 months, only when one of the Barber family judges it to be outstanding does it leave the farm as 1833. A cheese with unrivalled complexity and depth, savour it as part of a cheeseboard with apples, pickled walnuts and a tankard of Somerset cider.

### Ingredients

Pasteurized Cows milk, salt, starter culture, vegetarian rennet  
Contains: Milk
