* Benefits

Made on a family farm in County Tipperary with less than 30 employees, Cashel Blue is a beginner blue that does not overpower the senses that provides a rich and creamy taste. A semi-soft, creamy farmhouse cheese, distinguished by its round, full flavor and light blue tang. Its buttery color is punctuated by characteristic blue veining making it a visually appealing blue cheese. Made from the milk of Irish Grass-fed cows. No added growth hormones or antibiotics. Cashel Blue has garnered considerable international acclaim, which includes taking home gold every year since 2009 at the International Cheese Awards held annually in Nantwich, U.K.
