### \* Benefits

Idyll Pastures spreadable is named after the wild grasses and flowers growing on the Great Lakes Pastures that our Certified Humane Alpine goats graze on at Idyll Farms. The resulting fresh farmstead goat cheese is fluffy, creamy, and totally smearable. Its flavor is citrusy and tangy, with the smooth creaminess of super-fresh pasture-based farmstead Idyll goat milk. Regenerative farming practices. Gluten free. Gently pasteurized. 1st place American Cheese Society Winner 2017 and 2019.
