* Benefits

Nueskes Applewood Smoked Restaurant Select Bacon sliced at 12 to 14 slices per pound provides a thick, meaty slice of bacon permeated with the signature flavor we are famous for: sweet, rich smoke from glowing embers of pure Wisconsin Applewood. Nueskes traditional slow-smoking process ensures huge flavor in every slice and each hand-trimmed belly is smoked for a minimum of 24 hours over genuine applewood. The same premium quality as our popular sliced bacons and made from the best pork available to reduce shrinking, our slab bacon is, of course, smoked slowly over sweet Applewood embers for an unforgettable, delicious taste.
